Spring Clothing. Time is ripe for Spring Clothing. The new styles have appeared. The season for changing has dawned. Have you been mooting the Dress question? Has it been weighing and preying on your mind? If so, trust us. Macy's is here to simplify the problem—to brighten and clarify the mugginess that may envelope the "ways and means." The management of this clothing business is controlled by methods that men of fine tastes and comparatively small incomes

cannot consistently overlook. The same claim is made by scores of Clothiers. But the fact remains that the Macy prices are the lowest prices. Make comparisons. The task is not bothersome—and the result will demonstrate how money may be saved.

#### Men's Black Thibet Suits, \$12.98 Instead of \$18.00.

A wide-awake business organization hates wastes as violently as nature abhors a vacuum. So, instead of permitting our force, in the custom tailoring department, to dawdle away the dull days of January and February, we applied it to making up Suits for the ready-

We had a quantity of exceptionally fine pure wool black Thibet that was consumed in this way. The Suits are now displayed -very stylish and strictly hand-finished—full and half-lined, worth \$18.00; our price

#### Men's Fancy Cheviot Suits, \$14.99 Instead of \$20.00.

These Suits will command more than a passing glance from men who unite taste and thrift in their calculations when they go Clothes-buying. The materials are soft cheviots in patterns and colorings that strike every note of beauty and novelty. Quiet, subdued effects; bright, challenging effects - scores of each. Cut with close regard to the latest models, trimmed, lined and finished with faithful attention to details, worth \$20.00, our price \$14.99.

#### Men's Spring Top Coats, \$8.98 Instead of \$12.50.

These Coats are made of all-wool black and Oxford unfinished worsteds. Your final choice couldn't fall upon a worthier garment-price considered. The style is conservative, but not without its elements of nobbiness. Medium length, wide back that tends to boxiness, hanging with the directness produced by strong tailoring, narrow collar and lapels; body lined with mohair serge, sleeves with heavy satin, worth \$12.50; our price \$8.98.

### Men's Spring Top Coats, \$17.98 Instead of \$22.50.

Tan Covert Coats hold their vogue—these are the ultra effects-short and thoroughly boxy. They will charm particular men -even the shade of tan has its distinctive claim to newness. The collars and lapels show fresh touche, of art. They were finished by handknow-how, skilful hands; lined with rich merveilleux silk, worth \$22.50; our price, \$17.98.

#### Men's Spring Top Coats. \$24.98 Instead of \$30.00.

For real elegance—that easy, natural unobtrusive elegance that is always unpronounced and unmistakable - we commend these Coats, made of soft-finished Thibet. Luxurious, dressy, serviceable. They are lined throughout and faced to buttonholes with finest, pure-dyed silk. The custom tailor will charge you \$50.00 and not excel the ones we sell at \$24.98.

#### Young Men's Spring Suits, \$8.98 Instead of \$11.50.

Young Men's Spring Suits-fancy cheviots, black cheviots, blue cheviots and sturdy dependable homespuns. Tone to every Suit - they were not chopped out - nor were they put together by bunglers who make the young fellows wearing their product look callow and woodeny. The shoulders are rightly shaped-the collars don't bulge out, the lapels don't fall into bunchy creases -tailoring of unusual excellence lifts them above the ordinary sorts, worth \$11.50; our price, \$8.98.

#### Young Men's Spring Suits, \$11.98 Instead of \$15.00.

We have just quoted Young Men's Suits at \$8.98and they are good enough for almost any one. But if you are very, very fastidious and appreciate little touches of exclusiveness to the extent of being willing to pay extra for them, these fancy Scotch cheviots will appeal to you, worth \$15.00; our price, \$11.98.

#### Young Men's Spring Coats, \$8.98 Instead of \$11.50.

Young Men's Top Coat-all-wool tan covert clothcut toose and boxy, new shaped collar and lapels, body lined with mohair serge; sieeves with heavy warranted satin. These garments are jaunty with the indescribable jauntiness of Spring Clothing; worth \$11.50; our

#### Young Men's Spring Coats. \$14.99 Instead of \$20.00.

All-wool tan covert adapted by an ingenious London tallor from a very recent variation of the full-back short effect and copied by the leading American manufacturer. The wide shoulders of these Coats are very much liked by the fledglings; worth \$20.00; our

Young Men's Suits, \$7.49.

Venetians, mercerized lining, sizes range up to 16 years. \$8.98 instead of \$12.00 for Boys' Overcoats, made of all-wool tan covert, cut very long—reaching to shoe tops, unlined body; shoulders lined with satin, sizes 8 to 16 years.

The governing fact that entitles tham to your preference is our assurance that they are equal to any other ! Shirt on the market at \$1.00. These Shirts are made in our own factory, of choicest Percales - newest colorings and designs, open-back-and-front, with two pair detached cuffs, Similar qualities are sold elsewhere at \$1.50. The most impartial comparisons justify that statement. They are faultless-fit perfectly-no compression at the neck-no strain at the shoulders and the bosoms won't bulge or flare. The Shirt that chokes or sets the collar askew and awry is torture. These Shirts at 94c. are made for men who value quality and comfort and appreciate economy.

Unlaundered Shirts, made of Utica Nonpareil and New York Mills Muslin, three-ply 1900 count, pure linen set-in bosom; hand-worked buttonholes in neckband, reinforced back and front, felled seams and continuous facings, new and improved collar button protector and tie tape; open-back or openback-and-front, value 75c.; our price 49c.
